

Hammock Park Estates

Orange County, FL

Hammock Park Estates in Orange County is a single family residential development with the Horizon's West Specific Area Plan. It was one of the early developments in this area, and we worked closely with the county Development Review Committee to gather the necessary approvals for design and construction. Services included entitlement through Orange County (PSP, Construction Plan), the SFWMD (Storm Water Ponds) & FDEP (Water & Sewer). Filled role as project

manager with previous civil firm.
