

# Corner Lake Estates

## Orange County, FL

Corner Lake Estates in Orange County is a large, multi-phase single family residential development on the east side of Orlando. The many wetlands, ponds, utility easements and existing school made this project complex, and the attention to detail helped make it a success. Services included entitlement through the Orange County (PSP, Construction Plan), the SJWMD (Storm Water Ponds) & FDEP (Water & Sewer). Filled role as project manager with previous civil firm.
