

Nona Crest (La Vina)

City of Orlando, FL

La Vina in the City of Orlando is a single family residential development with the Lake Nona area of SE Orlando, FL. It was another early develop-

ments in this area, and we worked closely with the city to gather the necessary approvals for design and construction. Services included entitlement through the City of Orlando (Pre Plat, Construction Plan), the SFWMD (Storm Water Ponds) & FDEP (Water & Sewer). Filled

role as project manager with previous civil firm.
